

## **ANOTHER POWDER WEEKEND AND SPRING EVENT SERIES AT REVELSTOKE MOUNTAIN RESORT**

Week of: February 25 - March 3, 2013

### **CONDITIONS:**

The recent snow storms that swept through Revelstoke delivered incredible powder conditions for our weekend visitors, with the majority of the 55cm in the last 7 days falling between Thursday and Sunday. Reports on impeccable groomed runs and awesome powder lines came in all weekend long. Spring temperatures are slowly creeping in which will enhance the lower mountain spring snow conditions while more precipitation in the forecast promises powder conditions up top!
