

POW! IT'S SNEAK PEEK AT REVELSTOKE MOUNTAIN RESORT!

Saturday November 26, 2011 – Revelstoke, British Columbia – The 5th Anniversary for Revelstoke Mountain Resort goes off with a POW! With an incredible turn out this morning for the first turns of the season at Revelstoke Mountain Resort, Sneak Peek weekend is a huge success! We woke up to 13cm of fresh snow this morning and it still accumulates as the snow continues to fall. The first gondola crew had been here since 8:30pm last night, camping out on the cold snow just to earn the bragging rights! The excitement in the crowd was contagious and smiles were widespread. We even had a group who were handing out free hot chocolate and homemade brownies to the eager skiers and riders waiting at the Revelation Gondola. With incredible early season snowfall, the word is out that Revelstoke Mountain Resort offers incredible terrain and conditions, especially with the return of La Niña.

The natural high we've all received from this awesome Sneak Peek opening will definitely carry us forward to official resort opening on Saturday December 3, 2011.

Check out the footage from this morning's excitement!
