ALPINE RESPONSIBILITY CODE
Know the Code - Be Safety Conscious. It is Your Responsibility.

There are elements of risk that common sense and personal awareness can help reduce. Regardless of how you decide to use the slopes, always show courtesy to others. Please adhere to this code and share with others the responsibility for a safe outdoor experience.

1. Always stay in control. You must be able to stop or avoid other people or objects.
2. People ahead of you have the right-of-way. You must avoid them.
3. Stop only where you are visible from above and do not restrict traffic.
4. Look uphill and avoid others before starting downhill or entering a trail.
5. You must prevent runaway equipment.
6. Read and obey all signs, warnings and hazard markings.
7. Keep off closed trails and out of closed areas.
8. You must know how and be able to load, ride and unload lifts safely. If you need assistance, ask the lift attendant.
9. Do not use lifts or terrain when impaired by alcohol or drugs.
10. If you are involved in a collision or incident, share your contact information with each other and a ski area employee.
